5 Min Showcase Demo Script

Team tmly

Jonathan Ballone, jdb2195
Dan Burkhardt, drb2167
John Chung, jjc2254
Bayard Neville, ban2117

Demo version:

Front-end
https://github.com/DanBurkhardt/Digout
`Tag: demo_v1`

Back-end
https://hub.jazz.net/git/jballone/digout-py/
`Tag: demo_v1`

First 2 minutes:

Dan: introduces the team and give a brief synopsis (5W1H) of project 'Digout'.

Bayard: Gives overview of front-end

John & Jon: Gives overview of back-end.

Next 3 minutes:

Team walks through a demo of our app from sign-up to loading of default screen per our storyboard.

John & Jon: talk about the sign-up and login process

Bayard & Dan: talk about digout request process

Leave room for brief questions at the end.
